THE PROGRAM

The goal of this partnership between Pheasants Forever, Trout Unlimited and Cal-Wood Education Center is to offer Colorado area youth the opportunity to learn how habitat is the key component of many of our outdoor activities, and in order to hike, fish, hunt and camp, we must become stewards of the land.

This camp is for:

- Individuals who want to get outdoors and have fun while learning new skills like fishing, hiking, archery, shooting, etc.
- Individuals with an interest in exploring future careers in conservation.
- Grades 6-12.
